STOP!T™

Getting Started with **STOPit is now EASIER and FASTER** than EVER!

We've made enhancements to our technology that have completely removed all the pain of onboarding. STOPit has eliminated the need to submit a roster of app users. **You can now launch STOPit in a matter of minutes.**

Don't worry, this improvement does not impact any of the features or functions of the system.

Key Benefits

Simplified account set up and maintenance

- No more roster submission.
- You get to choose one customized access code for the whole school to use.

Increased student engagement

- To activate STOPit, students enter one easy to remember access code, determined by you. That's it!
- Students are never asked for their name, ID, or any personal information.
- Students will know for sure that STOPit is 100% anonymous.
