First Aid/CPR Classes

(CPR: Limit of one class per district per year-July 1 to June 30)

CLASS	OPTIMUM SIZE	MAXIMUM SIZE	TIME	RECERTIFICATION
Basic First Aid	10	16	3.5 hrs	Every 2 years
Adult CPR/AED	10	16	3.0 hrs	Every 2 years
Professional Level CPR	8	8	4.5 hrs	Every 2 years
Epi-pen training*	10	16	1 hour	Every 2 years

Note: These training classes may extend beyond this time if classes are larger than maximum class size
 The JIF currently uses Emergency Care & Safety Institute (ECSI) certifications, as this allows for larger instructor to student class ratios than Red Cross and American Heart. It is a nationally recognized certification, but may not meet every individual’s requirements. It is the responsibility of the student to determine applicability for their circumstances.

*Epi-pen training can only be conducted as part of a CPR certification class or a standalone class for staff with a valid and current CPR certification.

Right to Know/Hazard Communication
