

THIS IS A NO DRONE ZONE

USE OF AN UMANNED AERIAL SYSTEM (UAS), AKA “DRONE”, IS NOT PERMITTED ON SCHOOL DISTRICT PROPERTY AT ANY TIME OR OVER ANY SCHOOL DISTRICT EVENT UNLESS:

- **THE UAS IS REGISTERED WITH THE FAA; AND**
- **THE PILOT MEETS THE TRAINING PREQUALIFICATIONS OF THE SCHOOL DISTRICT.**

ANY PILOT OF A UAS WISHING TO OBTAIN DISTRICT PERMISSION MUST APPLY AT THE DISTRICT’S ADMINISTRATIVE OFFICES.

**SCHOOL POOL FOR EXCESS LIABILITY LIMITS
JOINT INSURANCE FUND**

UNMANNED AIRCRAFT SYSTEM CHECKLIST

- Completed SPELL JIF UAS Registration Form for each UAS used by the district.
- USI Pilot Training Certificate of Completion for each Pilot assigned to one or more individual UAS.
- Signed SPELL JIF Pilot Warranty Statement for each UAS the Pilot is assigned to operate.
- Placed an order for SPELL JIF Filed Signage.
- Passed a District Unmanned Aircraft System Policy and provided same to the SPELL JIF Administrator.
- Modified all contractor agreements and RFP/RFQ procedures to require; UAS registration, proof of pilot certification, contractual hold harmless and indemnification from the contractor to the District and minimum limits of insurances that contractors must adhere to in order to be granted permission to use one or more UAS while working for the District.
- Modified all facilities use procedures to require; UAS registration, proof of pilot certification, contractual hold harmless and indemnification to the District and minimum limits of insurances that any third party must adhere to in order to be granted permission to use one or more UAS while on District property or at a district event.
