National Poll on Children's Health, 2021
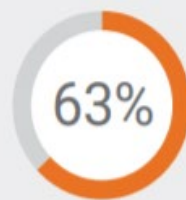

What Are We Seeing?

When comparing the first three months of the current school year with the same time frame from the 2019–20 school year, the results are astonishing. We've logged a **66% overall increase in incidents** since students returned for the 2020–21 school year.

66% INCREASE IN INCIDENTS

2019–2020   2020–2021

The data paints a clear picture of struggling students, with noticeable increases across four of our incident categories:

83%
Increase in Suicide & Self-Harm

63%
Increase in Violence Toward Others

135%
Increase in Nudity & Sexual Content

59%
Increase in Drugs & Alcohol

In most of these acts, someone witnessed these behaviors and did nothing to intervene

4 out of 5

Teens who attempt suicide have given clear signals of their intention to others[3]

85%

of bullying episodes, at least <u>one peer was present</u>, and 2 or more in 50% of the cases[2]

3 out of 4

Spoke with others before they carried out their school attacks[5]

80%

Mass shootings are preventable due to the presence of early warning threat indicators[5]

Our Impact …

- 7,000+ organizations using our products

- 4 million+ students and employees

- Intervened in over 150,000+ incidents … 42,000+ were serious life-threatening responses

- Our programs have helped deter behaviors, mitigate risk, prevent serious violence … and have saved lives!
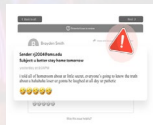

STOPit SOLUTIONS™

Creating Safer, Healthier Places To Learn, Work, and Live

STOPit Solutions protects the physical, social and emotional safety and well-being of students and staff by equipping them with our SafeGuard™ Technology and Education to uncover the unseen, intervene on the imminent, and prevent the preventable

Identify & Intervene

SafeGuard™ Technology & Education

Assess & Manage

Prevent & Comply

Anonymous Reporting System

Network & Device Surveillance

SEL & Wellness Training Center

SafeScreen Health Reporting System

How Does It Work …

Step 1
Report an Incident

Mobile App

Website

Telephone Hotline

*Student reports an incident using 1 of the 3 optional methods*

Step 2
Monitor & Notify

STOPit 24/7 Incident Monitoring Center (IMC)

Agents review, monitor, and escalate the tip (as needed) if it is life-threatening

Step 3
Manage & Resolve

STOPit Admin Incident Management System (IMS)

School officials are alerted via text, email and call (as needed) to review and act upon the incident

SEL & Wellness Training Center

- **SEL, compliance, and mental health& wellness curriculum** for students, staff, and parents

- **LMS** can be used for assembly, classroom, and/or individual assignment to ensure the greatest use and impact – all programs tailored to grade levels

- **Training available live and virtual live** for an additional fee to base cost

- **Anonymous Reporting Training** for all users - from understanding the signs to actioning against tips

Social & Emotional / Compliance Learning
